QUALITY POLICY STATEMENT

IIPS staff ensure, through management, its client's company policies and procedures are met and that every effort is directed to ensure that employees are directed towards achieving and meeting our own and clients' desired quality goals.

IIPS shall work by our respective clients ensuring that the specified quality requirements are achieved for all the company's services. IIPS are ISO9001:2015 certified to ensure quality control, quality management of administration, audits and job performance.

Managers will be responsible for maintaining quality control procedures in their areas and ensuring line supervision commitment and awareness of quality requirements. Accountability for possible quality failures will rest with the manager in charge, from where the quality failures originate.
