IIPS takes pride in being a responsible Employer, ensuring that we are fully compliant with all Labour legislation and relevant industry agreements that our Clients operate within.

For us to maintain a consistently high standard, we maintain a database of Trained and Skilled Flexi-Employees who are available on short notice for Contract Work. Industries we supply include the Petrochemical Field, Sugar Mills, Paper Mills, National and International Contract Work.

IIPS is currently negotiating a contract with an International Organization in supplying Coded Welders to Holland and Nigeria.

IIPS prides itself in having its Sub-Contracting Department in the Engineering Field. Our competent team consists of Boilermakers, Pipe Fitters, etc. working under the supervision of our Field Engineer. Due to our competitive rates and value offerings, we secured work in Richards Bay Minerals (Rio Tinto) for the installation of their new silo's as well as Sub-Contract work with Bateman.
